

## Potato and Onion Order 2023-24

Sadly, we have lost our local suppliers, they have retired. This change has caused us to look at how we order both Seeds and Potatoes plus how we collect our yearly Subscriptions. We will now break them down into three transactions. The first being the Potato and Onion Order.

So we have located an alternative outlet for Spuds and Onions, still at last year's reduced prices. The 250g bags are listed below. These popular varieties must be ordered soon, If you wish to plant other varieties then you must seek other suppliers. The Taster Packs offered last year did not prove to be popular and are not available for this coming season.

The Onions offered are limited to Red Baron or Stuttgarter Giant.

Please fully complete and return this Order Form to Neville Farthing, 8 Colneis Road, Felixstowe IP11 9HF, or scan it to "treasurerfsalg@gmail.com". The preferred payment is via BACS to sort code 20-98-07 account no. 70732567. If you use a cheque please make it payable to FSALG, or cash with your order to Neville.

The Cowpasture shop is open each Saturday morning 09.30-12.30 and can help if required.

**Please submit your order asap and no later than 30th September.**

## Ordering Seeds from Kings, 2023-24

**Members may** or may not have received the latest seed catalogue from Kings.

The Allotment Committee have now agreed with Kings Seeds that our members can purchase vegetable and flower seeds direct via an Internet link and still receive our 50% discount.

Members must use the dedicated link below and once you are registered it can be used on multiple occasions, still taking advantage of the discount. The discount only applies to the seeds. Fruit trees, potatoes etc attract carriage costs and are not discounted. The link is <https://www.kingsseeds.com/secure/register?ur=KA1183>

This internet link enables members to

deal direct with Kings, while taking advantage of the 50% discount and by doing so, remove the considerable administrative burden placed upon our Committee members.

However, should members wish to order using the green form these can be processed as in previous years by the Treasurer. If you need a form please request it from Claire, the Membership Secretary.

The FAA membership renewal will now be requested later in the year as a separate function, splitting it away from seed and potato sales which have to be actioned very early each Autumn.

The Committee thank you for your understanding and hope this change will meet with your approval.
